ASSEMBLY BILL

No. 1135

Introduced by Assembly Member Strickland

February 23, 2007

An act to add Section 7550.7 to the Government Code, relating to state reports.

LEGISLATIVE COUNSEL'S DIGEST

AB 1135, as amended, Strickland. State government: reports: declarations.

Existing law generally sets out the requirements for the submission of written reports by public agencies to the Legislature, the Governor, the Controller, and state legislative and other executive entities.

This bill would require any of these written reports required to be submitted by any state agency, ~~board, or commission, local governmental entity, school district, and special district, and specified reports required to be submitted to the Controller by any city, county, city and county, or transit district, or department~~ to include a signed statement by the head of the agency, ~~the chair of the board or commission, or the officer of the local agency or department~~, except as specified, declaring that the contents of the report are true, accurate, and complete to the best of his or her knowledge.

This bill would also make any person who declares as true any material matter pursuant to these provisions that he or she knows to be false liable for a civil penalty not to exceed \$20,000. ~~By imposing new duties on local officials, this bill would impose a state-mandated local program.~~

~~The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.~~

~~This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.~~
